Spring 2018

Hello From the Directors - Don & Lisa Cornish

We have hit the ground running since our start day on January 2nd and are thankful for your prayer and words of encouragement.

In January Don attended Arlington's 5th Annual Man Camp, and had a great time with 30 other gents, learning, laughing and dining on desirable dishes! "It was great to get away from everyday life to be with men who are striving to live, set apart for God. It is nice to connect with old friends and make some new ones. We seem to have similar struggles and guys need to know that we're not alone. It would be great to have more men come every year and connect through having fun, conversations and in prayer." Don Cornish

Together we took part in the Marriage Retreat in February and were blessed by the Siebert's as they shared and facilitated fantastic, real conversations surrounding relationships. There was something planned for every personality and the overarching theme was 'unconditional'...a concept about Love that is modeled unmistakably by Jesus, for us to aspire to.

As the summer quickly approaches, hiring staff has been very encouraging. Hearing about their lives through application answers and interviews, and how they have been involved in ministry in their respective communities has given us detailed ways to pray for them and anticipate their arrival! Please join us in lifting up our 23 summer staff to Jesus, to continue to seek out Christian community where they are, to want more of Him in every area of their life and for the perseverance to finish up their school year well.

We are looking forward to seeing many of you and visiting at Family Camp and around Arlington in the near future!

Don and Lisa Cornish

Canada Student Summer (lack of) Grant

As many of you may have heard, there have been a lot of organizations affected by the changes to the Canada Summer Jobs grant program. Due to the change in government policies surrounding the Student Summer Grant applications and after much discussion between us and the board, we in good conscience were unable to "check the box" to comply with the requirements necessary to be approved and were denied any monies. Our seasonal staff; Programmer Directors, Cabin Leaders, Housekeepers and Maintenance Assistant are young men and women who excitedly return, year after year, to serve God through the ministry of Christian camping. These positions are vital to our central focus; Kids Camp. Over the past number of years we have been receiving \$25000-\$36000 each summer, from this grant program. Please prayerfully consider contributing to help cover our staff's wages in your next financial contribution to the camp. We would appreciate it so much.

\$105,000

newly renovated, 4 season, 3 bedroom, 3 piece bathroom with laundry, gas fireplace

\$45-60/night

Kinney Memorial Lodge

205 Cottonwood Trail - \$130,000

Family Camp

Family Camp is just around the corner and God is filling in all of the important gaps in regards to volunteers and activities for the week. Thank you for those of you that are giving of your time and gifts to help! A few highlights to look forward to include: West of Here, "An Alternative Rock band from Edmonton, Alberta. Three brothers, Matt, Tristan and Taylor have blended their brand of harmony infused pop, with edgy vocals and uplifting guitar tones that soar through halls, churches, and festivals, all across Canada." (www.westofhereband.com)

Come enjoy the 1st Annual Arlington Open mini-golf challenge, Ol'McDales Friendly Farm and Petting Zoo, an evening of music with Camille Parkman, softball games for all skill levels, Board Game Nights, banana boat, spitfire and tube rides, a Hymn Sing, return of the 5k race, an Adrenaline Rush obstacle course, the Watermelon Feast and more! We will explore James 4, 'Drawing Near to God' and grades five and under will attend Hero Central where they will learn more about their 'Strength in God'. Be sure to register online to join us from July 8th-15th. It'll be a great time!

Introducing Our Family Camp Chef

Shane Hilderman grew up on a farm in the Duval area. He studied at the University of Saskatchewan, graduating with a Bachelors of Food Science and then went on to study Culinary Arts at the Culinary Institute of Canada. Shane has worked with well-regarded Chefs from all over the world. After some time in the hospitality industry, Shane found a job at the college as a Product Developer. Shane and his wife and kids have since excitedly moved back to Duval and he is looking forward to using his newly developed skills to help with the family farm and pursue his entrepreneurial passion. His drive is to create, grow, and support culture through agriculture. In order to allow Shane to purchase ingredients locally whenever possible, and to prepare, we are requiring all meal tickets to be purchased by June 28th. Meal tickets will not be sold the week of camp. We are very excited to welcome Shane to Arlington!

Visit: <https://arlingtonbeachcamp.com/camps/family-camp/> to register and view the week's menu and order meals by June 28th. Meals tickets will not be for sale at camp.

Update on "Camp Changes Lives" Campaign

Lisa and I wanted to let you all know that your support for Arlington is incredible and that we appreciate it very much. It is very evident that you care for this place through your prayer and sacrificial giving.

As many of you are aware, the campaign entered into last year consisted of three phases. These were a) Pay off the remaining mortgage on the water treatment plant (Which was done last year!) b) Move in a modular structure and c) Upgrade our lagoon to meet code.

Regarding the modular buildings, we have connected with the two groups that were concerned about our bed numbers and they conveyed to us that in the past, they enjoyed being able to use the Beach House. So for now we have decided to make the repairs necessary to the back fire escape which allows those groups to utilize the rooms there.

Although there has been some difference of opinion over whether or not moving the lagoon is necessary, some new information has come to light. In our *Permit to Operate a Sewage Works*, from the Water Shed Authority, there is a new clause which gives us a deadline of December 31, 2023 to complete the necessary upgrades to bring the lagoon up to code. As more information becomes available we will be sure to keep you posted. We feel as though this has become top priority because without the ability to dispose of our effluent properly, we would be unable to operate at all. Please keep this project in your prayers while important decisions are being made.
